

## Our Philosophy

Throughout our history we have remained true to our commitment to provide affordable, high quality artistic and educational programs. Our success can be attributed to a simple, yet effective, organizational strategy:

*Place emphasis on program services vs. administrative costs:*

*Today, more than 90% of revenue goes directly into one of our many arts and education programs, and 100% of your charitable contribution will go into program services.*

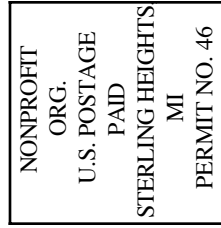

*We have made the decision to not set levels of contribution. Rather, we encourage you to give what you feel is appropriate and within your means. We appreciate any and all contributions that help us serve our mission and meet our educational and artistic goals and objectives.*

*Thank you in advance for your generosity and investment in our future and continued success.*

"IF YOU HAVE BUILT CASTLES IN THE AIR, YOUR WORK NEED NOT BE LOST; THAT IS WHERE THEY SHOULD BE. NOW PUT FOUNDATIONS UNDER THEM."
